The following list is a suggestion as to what students should bring with them for their outdoor education experience at Camp Bournedale. It should be kept in mind that the students will be participating in hands-on activities and invariably many changes of clothes will be necessary. The students should have plenty of warm and comfortable clothing at their disposal. This is a suggestion guide and additions may be included. Camp Bournedale is not responsible for any lost items. We strongly advise parents to mark all clothing and equipment.
